

## Formation/Revision of DNP Student Advisory Committee

The **Advisory Committee** is made up of the student, the faculty advisor who serves as the advisee's committee chair; a clinical mentor and a College of Nursing faculty member (see the CON DNP Student Handbook for details on the Advisory Committee). A student's DNP committee **MUST** be formed and approved prior to enrollment in NUR 909 -Proposal Development. The advisor and committee must approve your project proposal prior to registration for NUR 918.

Completion of this form indicates that The Advisory Committee has been formed, and is a required pre-requisite to NUR 909.
