

## DNP Project Proposal Approval Form

The **Advisory Committee** is made up of the student, the faculty advisor who serves as the advisee's committee chair; a clinical mentor and a College of Nursing faculty member (see the CON Graduate Student Handbook for details on the Advisory Committee). A student's DNP committee **MUST** be formed and approved prior to NUR 909. The advisor and committee must approve your project proposal prior to registration for NUR 918.

An approved proposal for the DNP Project is a pre-requisite for NUR 918 and thus **MUST** be completed prior to registration for this course. (See the [CON Graduate Student Handbook](#) for details on the DNP Project Proposal).

Completion of this form indicates that The Advisory Committee has been formed and the Proposal for the DNP Project has been completed and approved by student's Faculty Advisor, and the student is now ready to register for NUR 918.
