

Downloading and Installing Acrobat Professional

1. Download and Software Location: <https://download.uky.edu/>

The screenshot shows the homepage of the University of Kentucky's download server. At the top, there are navigation links for 'links', 'help', and 'account manager'. On the right, 'download server statistics' are displayed: total downloads: 1690180 and ftp connections: 0/200. The main content area is divided into several sections: 'supported public domain software', 'operating systems' (with links for 'All | Mac OS X | Windows *All Versions*'), a search bar, and a 'help' section. The 'help' section features an 'Adobe Software Update' announcement for 'Regular Faculty & Staff', stating that products under the Adobe Education Agreement are now available at a specific site. Below this, there is information about a partnership with 'OnTheHub network' for discounted Microsoft products. A red arrow points from a text box to the 'this site' link in the Adobe announcement.

Adobe Software Update
Regular Faculty & Staff:
Products covered under the Adobe Education Agreement are now available at [this site](#). Medical Center users will need to place MC\ in front of their username.
More information about this Adobe Agreement is available at the [Software Wiki website](#).

OnTheHub network
UK offers discounted pricing on select Microsoft products through our partnership with OnTheHub. To access the online store please login with your email userID (no AD\ or MC\ required) and password). Once authenticated you will be able to continue to the OnTheHub store by clicking on the OnTheHub logo.
This site provides a centralized location for downloading public domain software and software licensed by the university for use by students, faculty and staff.

Click to go to Adobe Software Download Location

2. Login using UK Student Network Login (**Medical Center users, place MC\ in front of their user name**)

The screenshot shows a login form with two input fields: 'Username' and 'Password'. Below the fields is a 'Login' button. A message below the form reads: 'Welcome to UK's Application Download. Use your link blue username and password to log in to the Download system.' There is a link for '[Can't access your account?](#)'

3. Click link for Adobe Software:

Click to choose software

The screenshot shows the 'Welcome to the UK Application Download Center' page. It contains a message about software products available to the University of Kentucky community. Below the message is a table with three columns: 'Category', 'Products', and 'Downloads Available'. The first row in the table is 'Adobe Software', which has '13 products' and 'unlimited downloads allowed'. A red arrow points from the text box to the 'Adobe Software' link in the table.

Welcome to the UK Application Download Center

There are a number of software products you, as a member of the University of Kentucky community, are able to download. Listed below are the product categories you have downloads available for. Click on the category name to go to the list of available downloads and from there you can continue on and download your product!

Thank you for using the UK Application Download Center!

Category	Products	Downloads Available
Adobe Software	13 products	unlimited downloads allowed

4. Choose between the Adobe Acrobat XI version for either Windows or Mac OS X, depending on your operating system. Click on the appropriate green arrow to the far right of the screen, then follow the directions for installation.

Welcome to the Student Software Download Center - Adobe Software
