| 5/2013    | ADN - Baptist Health Lexington Leadership Award |

### **PRESENTATIONS**

Moore, B., Kehler, S., Turcotte, E., & Courtney, T. (2025, June). Enhancing student confidence through simulated basic skills training. [Conference poster presentation]. International Nursing Association of Clinical and Simulation Learning (INACSL) 2025 Conference, Denver, CO, United States.

Moore, B., & Hall, J. (2025, Jan). Implementing a simulation educational intervention aimed at undergraduate nursing students to improve patient hand hygiene [Podium presentation] International Meeting on Simulation in Healthcare (IMSH) 2025 Conference, Orlando, FL, United States.

Moore, B., & Dent, J. (2023, June). Incorporating the NCSBN Clinical Judgement Measurement Model into simulation [Conference presentation]. International Nursing Association of Clinical and Simulation Learning (INACSL) 2023 Conference, Providence, RI, United States.

Moore, B., & Dent J. (2023, May 23rd ). Incorporating the NCSBN Clinic Judgement Measurement Model into simulation; Helping nursing students reach their goal [Conference presentation]. UK CON Simulation Conference 2023, Lexington, KY, United States.

Moore, B. (2023, May 10<sup>th</sup>). Tips for preparing for the NCLEX. [Presentation]. University of Kentucky College of Nursing, Lexington, KY.

Moore, B. (2023). Implementing an educational intervention aimed at nursing staff to improve patient hand hygiene [DNP Presentation]. University of Kentucky College of Nursing.

Moore, B., G. (2023). Learning how to teach the NCSBN's Next Generation NCLEX Test Items to the next generation: NGN writing workshop. [Ppt presentation]. University of Kentucky College of Nursing Faculty, Lexington KY

Moore, B., G. (2022). Meeting the needs of our LGBTQ Community [Ppt presentation]. Kentucky Public Health, Frankfort, KY.

Moore, B., G. (2022). Incorporating the NCSBN Clinical Judgement Measurement Model into simulation: Helping nursing students reach their goal. [Ppt presentation]. University of Kentucky College of Nursing Faculty, Lexington KY

## PROFESSIONAL MEMBERSHIPS

|                   |   |        |
|-------------------|---|--------|
| 1/2019 - Present  | Kentucky Simulation Alliance                        | Member |
| 12/2020 - Present | Society for Simulation in Healthcare                | Member |
| 10/2021 - Present | The Society for Collegiate Leadership & Achievement | Member |
| 09/2023 - Present | National League of Nursing                          | Member |
| 07/2025 – Present | Association of SP Educators                         | Member |

## Professional Service

|                   |                                       |                        |
|-------------------|---------------------------------------|------------------------|
| 09/2023 – 05/2024 | Nursing Student Association           | Student advisor/mentor |
| 08/2023 - present | UK CON Undergraduate Search Committee | Member                 |

## Scholarly work

### Kaplan NextGen NCLEX questions authored

Antiplatelet medication/bleeding case study (October 10, 2021) including question types - multiple response (select all that apply), cloze (drop-down rationale), cloze (drop-down), multiple response N, matrix multiple response.

Medication error (December 16, 2021) including question types - cloze (cloze drop-down table), cloze (drag -drop down rationale), multiple response (select all that apply), multiple response (grouping), cloze (drag & drop), multiple response N.

Legal nursing responsibilities (December 31, 2021) (scope of practice, delegation, etc) (including 2- multiple response (select all that apply), cloze (drop-down rationale), cloze (drop-down), multiple response (grouping), multiple response (single select).

Blood product/blood administration (February 12, 2022) including question types - 2- multiple response (select all that apply), cloze (drag - down rationale), multiple response (grouping), 2- multiple response N.

HIV/AIDS (depression) (March 10, 2022) question type – bowtie

End of Life (comfort care) (in writing process) question type – bowtie

**Kaplan i-Human case studies authored**

Opioid toxicity in an elderly patient (August 1, 2020)

End stage liver disease (September 9, 2020)
