Student NSG Clinical Scholars (SNCS) Program

Why St. Claire HealthCare?

- Students may select bundled clinical experiences in Women's Health (Labor & Delivery, Postpartum, and Women's Surgery) or Surgical Services (Preoperative, Operating Room, PACU & CRNA Shadowing). Rotations are tailored to meet student career goals.
- Exposure to scholarly grand rounds including a major platform for professional development with national nurse leaders. Clinical hours can be earned through professional practice enrichment activities.
- St. Claire HealthCare assistance with securing AHEC housing. AHEC pays for housing and some travel.
- Capstone stipend - \$1000
- Interprofessional learning and service opportunities with students from a variety of health science professions.
- Special hiring package available after graduation including a loan repayment program day of hire, reimbursement of NCLEX preparation course fees, and tuition assistance for graduate education.

For more information, contact Chief Nursing Officer Dr. Lerae Wilson at **606.783.6853** or **Lerae.Wilson@st-claire.org**, or Assistant Dean of BSN Program Studies Dr. Darlene Welsh at **859.323.6620** or **jdwels00@uky.edu**.
